

WOOD RANCH OWNERS ASSOCIATION
Homeowner Survey on Tennis Court Conversion

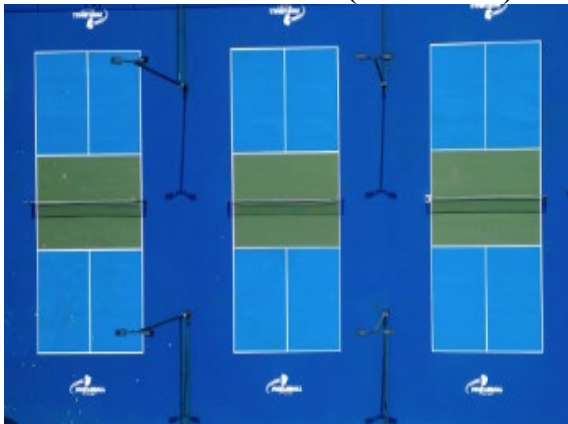

In an effort to ensure that the actions taken by the Board of Directors of the Wood Ranch Owners Association align with the desires of the community, we are requesting your input through this brief survey.

During the Board meeting held on January 6, 2025, at the Wood Ranch Clubhouse, we received feedback from homeowners about **converting one of the existing Tennis Courts into Three Pickleball Courts, while maintaining the other Tennis/Pickleball Court as it currently exists.** In order to gain a broader understanding of the community's preferences, we ask that you take a moment to complete the survey below. If this project is adopted the financial impact on the operating budget is negligible, however the planned resurfacing of the Courts will be done three years earlier than planned impacting the reserve account.

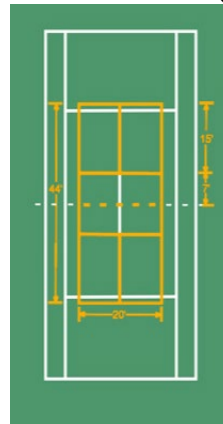

Your feedback is invaluable in helping the Board make an informed decision that best reflects the needs of the Wood Ranch community.

Please refer to the illustration for a visual representation of the proposed changes, color may vary.
